PARENT PROGRAM

INFORMATION • EDUCATION • COLLABORATION

AT PROVIDENCE COLLEGE, we view parents and families as a vital part of our College community and we understand that family support is an important component of a student's success. By parents and families we mean moms, dads, guardians, grandparents, siblings ... anyone who loves and cares for your student.

The **Providence College Parent Program** strives to provide you with the necessary information and resources so that parents and the College can work collaboratively to enrich the educational journey of our students.

When you need help navigating the campus community, want information about parent programs and resources, or need to find contact information, the **Parent Program** is here for you!

Program Goals

Inform and educate parents about the PC experience.

Provide helpful resources to parents to foster students' growth and development.

Collaborate with other campus offices in support of parent issues.

"We want to help parents to help students to help themselves. An important part of this process is to provide parents with the necessary support so that they can encourage students to learn to identify and make use of campus resources."

— JACQUELINE KIERNAN MACKAY
DIRECTOR OF PARENT PROGRAMS
